

# VIRTUAL EVENT

**Reaching Out Can  
Change Your Life**

## **International Survivors of Suicide Loss Day**

### **Saturday November 21, 2020**

Video starts at 1:00 pm. Log in time 12:45 pm.

**You are not alone**

Join a community of suicide loss survivors to find comfort and gain understanding as we share stories of healing and hope.

### **International Survivors of Suicide Loss Day**

People who are affected by suicide loss gather around the world at events in their local communities for support and resources.

### **The Event**

Suicide loss survivors come together to find connections, understanding and hope, through their shared experiences. The event features a documentary that offers a message of growth, resilience and connection, followed by an opportunity for group discussion.

This year's event will be done through a **virtual zoom meeting**. A Zoom Meeting refers to a video conferencing meeting that's hosted using Zoom. You can join this meeting via a webcam or phone. To take part please download Zoom (<https://zoom.us/download>) on your computer or device.
