HOSPICE SIMCOE - SEASONS CENTRE'S **WISHLIST**

There are many everyday items that help us create a comfortable, welcoming and home-like environment for the people and families we support. Donations from our community also help offset the cost of supplies we purchase regularly, allowing more of our resources to go directly toward care and programming.

PLEASE CONSIDER SUPPORTING US WITH ANY OF THE ITEMS BELOW.
If you have any questions, please call 705-722-5995.

★ *Comfort & Connection in Our 10 Resident Bedrooms*

Our resident bedrooms are designed to feel as comfortable and home-like as possible. Technology can help residents stay connected with family, enjoy music or entertainment, video call loved ones, or simply provide a little comfort and distraction during their stay.

CURRENTLY NEEDED:

- Apple iPad, 11-inch – **10 needed**
- Google Home devices – **10 needed**
- Colourful pillowcases
- No-spill cups

For technology items, please contact us before purchasing so we can ensure devices are compatible with our systems.

Our program needs change throughout the year, so the Amazon Wishlist is a great place to see what is currently most needed.

NOTE: Before You Purchase -

Our needs can change throughout the year, particularly for larger items, technology, food and resident-care equipment.

If you are considering purchasing a larger item or would like to organize a collection or donation drive, please contact Hospice Simcoe – Seasons Centre first so we can confirm our current needs.

Thank you for helping us provide comfort, dignity and compassionate support to residents, children, adults and families in our community.
